ROMANCE BRAND TILE & CERAMIC

COMBINATION OF ART AND COMFORT

2026

About us

Today's modern world
looks at quality and beauty
and its prospects in Iran are getting brighter day by day. The individual tastes of buyers and consumers rely more on quality and beauty, so harmonizing goods with different tastes requires countless variety in products.
Romance, as its name suggests, creates romantic love and a deep sense of relaxation with endless charm.
Ronak Seram Parse company, with more than 20 years of experience in the production and distribution of ceramic and sanitary products, has started offering exclusive floor and wall designs in the form of Romance brand since June 2014. At the same time, the Romance brand is authentic and strong, in addition to offering different products by using three factors:
1) Expert manpower
2) Cooperation with large manufacturers
3) Application of new business knowledge
It is trying to bring a beautiful, charming and romantic environment
